25X1

Bill Jackson, my class and clubmate in Princeton, has handed me both your letter to him and a letter from Bill Lippincott, the latter of which extolls your virtues, and enjoins us to leave no stone unturned to interest you in a possible career with this Agency.

May I suggest that, if it is possible, you come to Washington at your earliest convenience for a personal interview. I would be very happy to see you and can do so most any time next week should you care to make an appointment either by mail or telephone. I can be reached at 

25X

Sincerely yours,

MATTHEW BAIRD
Director of Training
